October 11, 2018

Great Basin College is required to randomly select students who have been classified as Nevada residents and request documentation supporting their in-state classification. This policy is set by the Nevada Board of Regents, which is the governing body of the Nevada System of Higher Education.

Our records indicate that Fall 2018 is your first semester at Great Basin College (GBC) and that you have been classified as a Nevada resident, thus your name has been selected as part of the required audit. This means that in order to maintain your status as a GBC Nevada resident, you must provide documentation to confirm your residency.

Enclosed you will find a Nevada Residency Audit Application. You must complete it and provide all supporting documents by Friday, October 26th. If you are unable to comply with this request by the deadline, on October 29, 2018, a hold will be placed on your account that will prevent you from enrolling into future classes until you have completed the required audit.

It is essential that you select one of the two options explained on the enclosed form and provide **all** the documentation listed. If you have previously provided any of the requested documentation to our office, make note of that when you submit the enclosed form.

Thank you for your prompt attention to this matter. If you have questions, please contact Cheyenne Stocks in Admissions and Records (775-753-2272; cheyenne.stocks@gbcnv.edu) or contact me (775-753-2361; melissa.risi@gbcnv.edu).
